

SAMBA · BOSSA NOVA · SÃO PAULO → BOSTON

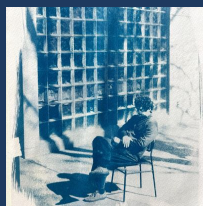

Edu Herédia

Where poetry meets melody, and reflection meets rhythm.

Born in São Paulo, Brazil, and based in Boston, Edu Herédia brings a modern sensibility to the timeless soul of samba and bossa nova. His songs are harmonically rich and emotionally grounded, blending gentle nostalgia with contemporary nuance.

His lyrics value meaning and storytelling, not just aesthetics. Through carefully woven words and warm arrangements, he builds bridges between music and literature, between artist and listener.

His debut project, released as two EPs (*Debut EP Vol. 1* and *Vol. 2*), celebrates collaboration, with contributions from fellow musicians and friends.
